This School of Music and Department of Theatre and Dance presentation of A Centennial Celebration is taking place during Nazareth University’s Centennial Celebration, which is presented by Wellington Steele & Associates and the Leva Family. In the year prior to and after the 100th anniversary of its founding in 1924, Nazareth University is marking A Century of Uniting Education and Action, and envisioning its next 100 years. Thank you for being a part of our Centennial Celebration.

The **Nazareth Chamber Singers**, under the direction of Dr. Eric Rubinstein, is the premiere mixed-voice choral ensemble from Nazareth University in Rochester, NY. Comprised of both music majors and non-music majors, the Singers perform an array of music from Medieval to Modern, highlighting a broad and diverse spectrum of choral artistry. The Chamber Singers have a history of accolades and achievements through commissioned premieres, domestic and international travel, and competitive honors. Recent highlights include a performance tour of Poland, an invited performance at the 2023 NYSSMA Winter Conference, and this year-long partnership with Nazareth's Department of Theatre and Dance.

The **Cabaret/Ensemble Class**, led by Nicolette Hart, is a course offered each spring under the direction of rotating faculty and guest directors. The class provides students an opportunity to explore and sharpen a variety of skills including (but not limited to): creating a Cabaret Act, working as an ensemble, and devising new works. This semester we are proud to present this inaugural co-production celebrating the best of *musical theatre* with solos, duets, and small groups, all while highlighting this beautiful new partnership between the Cabaret/Ensemble class and the Chamber Singers!
